Latex and Animal Derived Component (BSE/TSE*) Compliance

Dear Valued Customer,

NEE is a contract electropolishing company and our processes use synthetic or manufactured materials and therefore are free from human or any other animal derived materials including bovine products.

In addition, no latex-containing materials are used in the processing, inspection, and handling of Customer-supplied products while at NEE's facility.

As such, the services provided by NEE can be declared free of latex and ingredients of animal origin.

Should you have any further questions, please do not hesitate to contact us.

Respectfully,

Amy Almeida Prigmore
CEO
